

ONLY
ONE
NAME MEANS

TURKEY

Today, we're the turkey experts. But we didn't earn that title overnight. It took time and dedication, as well as a shared passion for quality food and customer satisfaction.

We care

about our turkeys

An independent Animal Care and Well-Being Advisory Council ensures our standards in caring for our turkeys are the highest in the industry. As a result, all of our products bear the American Humane Certified™ seal.

about the environment

Agriculture is what we do, so we have a special commitment to protect the planet we share and to preserve the natural resources we rely on.

about your customers

As America's favorite turkey brand¹, we're the leader helping you bring variety to your menu with conventional, all-natural and *no-antibiotics-ever* products. We're here to help you give diners what they want.

*Our process
makes a difference.*

We're a vertically integrated turkey processor. We own and operate the entire supply chain—from feed mills to hatcheries to processing. It's why we can ensure you receive the highest-quality products, time and time again.

*Your resource
for turkey. And so
much more.*

With more than 60 years of experience in the business, we know the foodservice industry—from the trends to your everyday challenges. We're here to share key and relevant insights, and our expert culinary team will provide you with recipes and inspiration to give diners the variety they crave.
