10 SOCIAL MEDIA TIPS

Get students excited about all the delicious meals you have planned by posting on social media platforms like TikTok, Facebook and Instagram. Don't forget to tag Butterball Foodservice on posts featuring our products or recipes!

- 1 Post Consistently**
Develop a regular frequency by creating content in batches.
- 2 Use Hashtags**
Come up with a unique and catchy hashtag for your school meal program.
- 3 Share High-Quality Images**
Let your creations shine with good lighting and simple composition.
- 4 Choose Fun Music**
Set your posts to trending or food-related music.
- 5 Show Behind the Scenes**
Introduce students to the kitchen and hardworking staff behind their daily meals.
- 6 Highlight Nutritional Info**
Educate students and parents about the nutritional value of school meals.
- 7 Encourage Feedback**
Ask students to cast votes for their favorite dishes or suggestions for new ones.
- 8 Collaborate with Students**
Tap student leaders who can positively influence their peers to promote school meals.
- 9 Celebrate Special Days**
Participate in or create special themed days related to food, like Taco Tuesday or National Sandwich Day.
- 10 Create Challenges and Contests**
Launch engaging activities like letting students come up with creative names for new menu items.
