

**BUTTERBALL®**

1 PRODUCT

3 **WAYS:**

*Sliced Turkey  
Tenderloin  
Medallions*

Take your students on a flavor adventure with **Sliced Turkey Tenderloin Medallions**. They make it easier than ever to serve the flavors Generation Alpha enjoys with the nutrition parents and administrators want for them.

**TURKEY MEDALLIONS** make the perfect ingredient in K-12 recipes because they are:

- Fully cooked
- Boneless and skinless
- Ready to serve

**AND FEATURE:**

- Roasted turkey flavor
- Whole-muscle texture

No MSG

Zero Trans Fat

Gluten Free

**PRODUCT NUMBER**

Commodity	#89209
Commercial	#82887

**DID YOU KNOW**

**49%**

of students born between 2010 and 2024 are willing to try new or global flavors.

*Serve them...*

**STEAMED**

Serve a Japanese-style noodle dish with **Turkey Ramen**, featuring whole-grain noodles simmered with egg, mushrooms, spinach and carrots in a savory, soy-ginger-garlic broth.

**LAYERED**

The **Turkey Banh Mi** is a Vietnamese cuisine-inspired sandwich, with turkey medallions and tangy marinated vegetables on a halved baguette, topped with cilantro.

**(UN)WRAPPED**

Try a twist on the classic lunch wrap with the **Asian Street Turkey Unwrap**. Pile a tortilla with crunchy veggies and turkey medallions, with dressing on the side.

**Gen Alpha is expected to  
IMPACT K-12 MENUS**  
with their preference for customization.
